You are receiving this statement because you have an escrow account with us. We have safeguards in place to ensure there is enough money in your account to cover your homeowner's insurance, real estate taxes and mortgage insurance, if applicable. However, changes in your taxes and insurance could result in a shortage or surplus in your escrow account.

Based on our most recent escrow analysis, you have a surplus of \$1,424.09. A surplus check in the amount of \$1,424.09 to be printed and mailed in a separate document.

Due to the delinquent status of your account, your surplus will be retained in reserve until the account becomes current. Once your account is current, it is your responsibility to contact Freedom Customer Care at (855) 690-5900 to request the release of any surplus when the status of your account changes.

- Required Minimum Balance	\$992.22
Surplus	\$1,424.09

The required minimum balance is also known as the escrow cushion. The required minimum balance or escrow cushion is the amount that you are required to pay into your escrow account to cover unanticipated disbursements for escrow items or for disbursements that have to be made before the monthly escrow payments are available in your escrow account.

Part 1 provides your current and the new escrow payment amounts. Part 2 shows what has already happened in your account while Part 3 shows what we anticipate happening in your account over the next 12 months. As tax and insurance amounts may be subject to change each year, the amounts in Part 3 are only estimates.

Your escrow balance is more than the amount needed in your account. The resulting surplus is \$1,424.09. Federal Law requires that any surplus of \$50.00 or greater must be returned to you within 30 days from the date of analysis.

Due to the delinquent status of your account, your surplus will be retained in reserve until the account becomes current.

Did you know by having recurring payments set up through FreedomMortgage.com, we'll adjust for any changes in your monthly payment automatically? However, if you have automatic bill pay through your bank, you'll need to contact them directly to adjust your payment.
